

Door Specialty Hardware Decorative Flat Track Hardware

Flat Track and Hangers for:

- Barns and Stables
- Architectural Adaptive Reuse
- Historic Renovation
- Post Frame Buildings
- Partition Walls
- Carriages Houses
- Residential

Richards-Wilcox Decorative Flat Track Hardware gives sliding doors an authentic historic look for commercial and residential applications.

Richards-Wilcox line of Flat Track Hardware includes complete track kits, hanger fasteners, and optional hardware kits to make our hardware faster and easier to install.

Flat Track Systems

Three styles of Richards-Wilcox Decorative Flat Track Hangers and Track lend an authentic historic look to sliding door systems of light to medium duty capacity up to 400 pounds.

Choose from Top Mount, Traditional, or Arrowhead Hanger Designs all of which are finished in durable black powder coat and have 2-1/8" diameter zinc plated steel wheels with sealed bearings for quiet operation and long product life. Matching black fasteners are included in the hardware pack.

- 0105.00301 Top Mount Flat Track Hanger
